

Mortgage Purchase Program

2020 HOC PARTICIPATING MORTGAGE COMPANIES

Applicants to the MPDU programs are required to get pre-qualified for a mortgage loan through a HOC Participating Lender, to be used solely for acceptance to the MPDU program. Please call the lenders below who are knowledgeable about the MPDU process to make an appointment to get pre-qualified. Please allow at least 1-2 weeks to complete this process.

Visit our website for more information and a full list of participating lenders. <http://www.hocmc.org/homeownership.html>
Any questions or concerns as it relates to the HOC lenders, please contact HOC (240) 627-9798. 2-2020

Following list are loan officers that are experienced with the MPDU process and listed in the order of their HOC mortgage program experience and number of loans originated by the lenders.
